Support

**GALA DE DANZA** is

*designed to bring the world's elite artists to México in an event to enrich the community. In collaboration with Youth America Grand Prix, providing performance opportunities to young dancers, the talented finalists are invited to perform with the outstanding guest artists from around the world. In addition, Gala de Danza's collaboration with Danza Téllez's "**DANZA QUE DA ESPERANZA**" in San José del Cabo, B.C.S., México, offers full dance scholarships to children in vulnerable situations, bringing them hope and opportunities. This year GDD Guest Artists will be teaching master classes to the local dance community to share their knowledge and love of the arts.*

*The support and sponsorship of the community has been extraordinary and has made it possible to continue the event as an annual tradition.*
